

He Draws the Hungry!

Over the past few months, the flow of visitors to the church and new contacts nearly came to a complete stop as people became reluctant to be with crowds and restrictions were imposed on every facet of life. We are so grateful that over the past month, we have seen a turn in this trend and new people are coming to our services. God's faithfulness is truly amazing!

One of those visitors over the past month was a backslider who had been away from God for four years. As she responded to the moving of the Spirit her first Sunday here, God refilled her with the Holy Ghost and she rejoices today in her renewed relationship with God.

My family was blessed to have a time of fellowship with a Cypriot family one Sunday which opened a door to witness to several of those at the table. We cherish every opportunity God gives to share the Truth of His Word with those who are hungry and searching for hope. Please help us pray for this family that the seed of the Word will take root in their lives.

As always, we sincerely thank you for your faithfulness and sacrifice in giving and in prayer. God bless each of you!
