## **Summer 2021**

He Is Moving Mountains!

We are so thankful to share with you that **we have been fully appointed as Intermediate Missionaries** by the Global Missions Board! This is such an exciting and much anticipated step in our lives! Thank you to each one of you who has continually supported us.

Since our appointment, in the last few weeks we have begun looking for a deputation vehicle. We are looking to buy an RV around 20 years old just as soon as possible to be ready for deputation, but we need the Lord to work a miracle in order to purchase one.

Your prayers for Sister Reeves' father, Reverend Stuart Lassetter, have been honored by the Lord! We continue to receive good reports on his health and we believe God is going to complete the work He has begun in him.

Thank you for your faithful and sacrificial giving through our time in Jackson, Mississippi. Your continued support and prayer through this season have been such a comfort and strength to our family!
