

## Moving in May!

What a wonderful start to 2019 as God is orchestrating things into place for our family to move overseas in early May!

Recently, a door opened for us to go to the island of Cyprus to serve for several months this year while resident missionary, Brother Stephen Summers, and his family are Stateside raising continued support. Without help in Cyprus while the Summers family is away, the first-generation church they have built is vulnerable. We are honored to help keep the work alive in their absence.

We still need monthly support! Although our budget for living in Cyprus will be less than it will be in Greece, we still lack some monthly support. We are stepping out in faith that God will continue to provide what is left, and this in-between mission of serving in Cyprus will allow us more time to continue raising support for our move to Greece while working in a field where there is a need. We know if the Lord lays it upon your heart to reach these people with us, you will be blessed.

Greek language schools are available where we will be living. However, language school is costly and we are believing God will provide for us to continue studying Greek to prepare us for our transition to Greece when the Summers family returns to Cyprus.

A special thanks to each of you who have chosen to support us before we move to the field of our calling. Your trust in us as stewards of what God has provided is truly humbling and is the reason we

are able to walk through this door in faith. **Thank** you!

Many of you have committed to supporting us monthly once we get

overseas. Thank you for your burden for the beautiful souls of the Mediterranean region. As a reminder, funds usually get to us a month after you send them through their respective channels. May God abundantly bless you!
